FROM THE PRESIDENT...

The ending to this season was heart breaking! After having such a great season it was so disappointing to all of us. I don't think our disappointment could come close to the disappointment felt by the players and coaching staff. Many of them expressed to me how much they felt they let us, their fans down. My answer to each of them was they had given us a fun and entertaining season and they should be proud of their accomplishments during the season. While the playoffs didn't go as we had hoped, we appreciated all of their efforts and thanked them for being part of our team.

Thanks to all of you who came out to the End-of-the-Season Party on March 24th. Despite the rainy weather, we had a great time and enjoyed getting together with our team and with each other. Hopefully, next year the schedule will allow us to have all of our parties on Sunday afternoons so more of our members can participate. I know it is difficult during the school year for children to come to parties on week nights. We will continue to work with the team to have the parties at the best possible time.

Elections for the Board of our Association were held at the EOS Party. Welcome to Travis Rogers as the newest member of the Board of our Association.

Thanks to all of you who have given the Board of this Association your support through conversation, emails and on facebook during this season. Personally, I would like to thank our Board: Wayne, Donna, Lisa, Kim, Brittany, Russell and Tess have worked hard and have given countless hours of their time to make sure our team is well taken care of throughout their stay here.

Also, thank you to so many of you, our booster members, who have donated time, items and money for the road trips and apartments. You all make this association a success and one our boys can be proud of. And when it comes right down to it, it's their opinion of us that counts the most because all of our hard work, time, and effort is for them.

Have a great summer and we'll see you all in the fall for another fantastic season of SC Stingrays Hockey!

~ Nancy Sullivan, President

PLAYERS APARTMENTS

by Donna Gelwicks

Now that this hockey season has ended, we can look forward to the 2014-2015 season. Most of the players have left and I am in the process of getting all items back in our storage unit. During the next couple of months I will going through the items that were returned to determine what needs to be replaced. There are always certain items that we need every season. I have listed those items below. So if you go to any yard sales, thrift shops or are just spring cleaning, please remember the player apartments. If you should get anything over the summer, you can give me a call or send a text message to (843)270-2300, or send an email to djg607@yahoo.com. I will be more than happy to pick up! Thank you for your help!

ROAD PACK COMMITTEE

by Tess Hagan

Thank you to everyone that donated to the Road Pack committee this season! This was my first year handling this job, and I was overwhelmed by the generosity of our fans. Anything the guys mentioned, someone was more than willing to make sure it was on the bus for them, and they were all so appreciative. Thank you again for helping to support our team.

BOARD RECOGNIZES WAYNE KASTEN

The Board of the Association recognized the years of dedication to the association by making Wayne Kasten a Board Member Emeritus. Wayne has been a member of this association and served on the Board for countless years. Thank you Wayne for your many years of support to this Association.
