FROM THE PRESIDENT...

It is hard to believe our regular season is almost over. We are making a hard run for a strong finish and our 4th Kelly Cup! The excitement continues to build. At the beginning of the season I thought we had what it took to make a place for ourselves and even though we have seen many changes, I still think we have the ability and heart to get us to the end.

The boosters have been busy for the past several months. We've had two great tailgate fundraisers, we continue to sell the official SC Stingrays Tervis Tumblers; we have had several great raffles; and our 50/50 raffle continues to be popular at each game.

This summer we will be working to replace many items for the player apartments for the 2014/2015 season. Queen size comforters, sheets, pillows, and shower curtain liners and clips are always needed. Gift cards to Walmart, Target, Cosco, or Sam's are always useful as well.

Thank you everyone for all of your support.

~ Nancy Sullivan, President

BOARD ELECTIONS

Elections will be held April 7th. All current board members are running for re-election. Travis Rogers is running for a position on the Board as a Member at Large. In order to be eligible to vote, members must have attended two meetings during the current season.

Bio of Travis Rogers - I have been married to my lovely wife Jayne since 2007 and we have one daughter, Lydia, who was born in 2011. We have been season ticket hold-

ers since the 2008-2009 season and booster members since 2009. I am the site administrator for South Carolina Stingrays Fan page on facebook and am a self-confessed numbers/stats junkie. I currently serve full time with the South Carolina Army National Guard and have been in the service since 1992. I hold a Master of Business Administration degree and in a former life was an EMT for Orangeburg County. My family and I currently live in Summerville.

NEWSLETTER

We are looking for someone to take over the graphic design and publication of the newsletter for next season. Laurie Brenneman, has resigned from this committee due to other commitments. Laurie has done an excellent job for us. She redesigned the booster association logo and gave the newsletter a fresh new look. She will continue to publish the newsletter for the rest of this season so

we will need someone to begin in August to start off the 2014/2015 season.

The design and publication of the newsletter does require graphic design experience, your own computer and software. If you are interested and would like to talk with Laurie, please send her an email with any questions to brennemangraphic@sc.rr.com.
